The Honorable Pat McCrory
Governor of North Carolina
20301 Mail Service Center
Raleigh, NC 27699-0301

Dear Governor McCrory:

We are writing to respectfully request the immediate repeal of House Bill 2 (Chapter SL 2016-3), the Public Facilities Privacy and Security Act, which effectively banned people in your State from using public bathrooms that do not correspond to their biological sex at birth. In addition, the enacted legislation broadly precludes local governments from passing anti-discrimination laws to protect a range of groups.

The Board of Supervisors is the governing body of the County of Los Angeles, California. Our County has the largest population of any county in the nation with over 10 million residents, and we provide numerous services without discrimination to all County residents, including those who identify as lesbian, gay, bisexual, transgender, or queer (LGBTQ).

In October 2015, our Board voted unanimously to stand up for LGBTQ youth in the County child welfare system by proactively training County workers to fully address the unique needs of these children. The enactment of House Bill 2 (HB2) requires us to stand up again, in solidarity with the LGBTQ community.

We echo the overwhelming criticism expressed by local governments in your State and throughout the nation that have passed resolutions calling for the repeal of HB2. Like other states and cities, we have issued a ban barring County employees from travel to North Carolina.

The Honorable Pat McCrory
